

Volunteers needed for a research study!

What's it about?

We are studying empathy in toddlers and the effect of emotional regulation, language ability and gender on empathy development

A 10-20 minute online survey for parents and guardians of toddlers

This research project is being conducted by a final year psychology student in UCD

This study is open until March 2023

Are you...

Over 18 years old?

Currently living in Ireland?

A parent or guardian of a child aged between 2 and 3 year old (24-36 months inclusive)?

Then you can take part!

Scan the QR code to find out more and take part, or visit <https://run.pavlovia.org/pavlovia/survey/?surveyId=9fb4557e-93fc-4e8d-9324-80950ad0e9d4>
