

Dear Parent/Guardian of Incoming First Years 2023/24,

As your child nears the end of their time in Primary School, we imagine that they are both excited and perhaps a little apprehensive about their onward journey. Of course these are very natural emotions around this time of transition. In order to make this transfer as smooth as possible for both you and your child we wish to invite you to our school on the afternoon of Wednesday May 10th. Your child will be offered a tour of our school, they will meet their future Year Head teachers and have an opportunity to ask any questions they may have. We will also host a question and answer session for parents which will hopefully serve to alleviate any concerns you may be having regarding your child's transition to our school.
